

## ***EASTVIEW CEMETERY***

### ***Procedures and Rules:***

1. Construction or placement of curbing is not allowed in any areas of the cemetery.
2. Planting of trees is not allowed at or on lots and grave sites. Landscaping, and/or planting of trees in common areas must be approved by city staff.
3. Watering of lots and grave sites must be attended at all times, and good water conservation measures applied (1" per week, no over-saturation of the ground and water running off of the lot or grave site.
4. Vehicles are not allowed to leave the main, or designated, roads throughout the cemetery grounds. Funeral Home vehicles are the exception.
5. All trash should be placed in receptacles provided, or taken with you from the cemetery grounds.
6. Please respect the privacy and peace of all others that may be present when you visit the cemetery grounds.

Please feel free to contact any member of the cemetery staff for any assistance or with any questions that you may have. Our telephone number is: 940-553-3601, or you may contact the Public Works Office at 940-552-9961 for a directory of departments for further assistance.
